

May 11, 1936

Mr. James C. Bolander
Sec. Orderville Irrigation Co.
Orderville, Utah

Dear Sir: REL: LONG VALLEY DIST.

This will acknowledge receipt of your letter dated May 5, 1936, in which you state that two notices have been received by you, each in a different amount and in which you inquire which amount should be remitted by you. In reply you are advised that one notice in the sum of \$8.56, covers 1.64 second feet of water from Long Valley creek, with a priority of 1900, and the other notice in the sum of \$25.37, represents your pro rata assessment on 4.42 second feet of water, with a priority of 1871. Your check #311, in the sum of \$25.37, has been credited to your account, which leaves \$8.56 balance due for 1936. Hereafter only one notice will be mailed to you, including your assessment for both of the above rights.

Receipt #59505 is herewith attached.

Yours very truly

T. H. Humpherys
STATE ENGINEER
